

“Do justice, love kindness and walk humbly with your God.”

Micah 6:8

Beginning Sunday April 30th, Catholic Schools across the province will celebrate the amazing gift of fully-funded Catholic education during Catholic Education Week. The theme this year is Walking Forward Together.

Throughout the week each class will engage in different activities that will support the theme of how each one of us can Walk Forward Together with God, our families, others, creation and in hope.

The CEW biblical quote above acknowledges the important role of justice and solidarity with our Indigenous peoples, our environment, the poor and marginalized, and all those who work to protect our common global future.

Meanwhile, at the Board table we have begun working through the budget process to ensure that we are meeting the strategic plan goal of allocating resources wisely and optimizing the programs available to students in our Board. This work will continue until the budget is passed in June.

I look forward to attending special events during Catholic Education Week and for the rest of the school year. I hope that each of you will have rich conversations with your children about what they are learning during the celebration of Catholic Education Week.

God Bless!
